#### **Citizens for Brentwood Green Space Announces New Additions To Board Of Directors**

**BRENTWOOD, TN – August 13, 2013** – Citizens for Brentwood Green Space (CBGS), a nonprofit preservation group, today announced the following additions to their Board of Directors:

- Greg Blanford, a project development/sales specialist for Technical Innovation
- Peg Fredi, an internationally award winning artist and free-lance photographer for Brentwood/Franklin Homepage, an on-line newspaper
- Peggy Howell, a community leader and former teacher with Metro Nashville and flight attendant for 28 years with US Airways
- Paul Webb, Administrator at Westminster Presbyterian Church in Nashville and former Brentwood City Commissioner

Remarked President Gil Hutchinson “We are fortunate to have such recognized community leaders join our organization. With the push to make sure Brentwood acquires the additional 80 acres next to Smith Park this year, their experience and relationships will be invaluable in helping the City achieve that goal”.

The City of Brentwood has an option to buy an additional 80 acres located in the northwest corner of the 500 acre farm for approximately \$3 Million by December 31, 2013. Exercising this purchase option to increase the total park size to 400 acres will be subject to raising the funds from outside sources – grants from other governments, foundations, private sources, in-kind services, etc.

CBGS formally announced a goal to help raise funds over a five year period in late 2011 towards the acquisition of the remaining 80 acres at Ravenswood Farm. Pledges and cash collected to date, exceed \$180,000.

#### **About Citizens for Brentwood Green Space, Inc.**

The Citizens for Brentwood Green Space, Inc. is a volunteer citizens group organized as a 501(c) (3) nonprofit corporation. Our mission is to preserve open space in the form of parks, trails, historic sites, and flood plains while being sensitive to the rights of landowners and developers. CBGS desires to assure that ongoing development of land resources is accomplished in a way that is beneficial to landowners, to existing citizens of the city, and to future generations of Brentwood residents.
